Through hard work, the JV team managed to place third in the conference. Led by Randy Kuzawa and Kory Andrews, the offensive team proved strong, while the defense was very stingy about the points earned against them. Their season record ended at 4-5-1.

# *JV Cheer*

## *Despite Injuries*

Our JV Squad was really "broken up" about this year's season as Shelly Hanrahan and Lisa Lubbinge sported broken arms, and Cathy Peterson suffered from a bruised foot caused, by all things, a falling roll of paper. Receiving a 2nd place award at Wyoming's clinic, the girls had an active season supporting the football and basketball teams.

Varsity Cheerleaders continued winning trophies as they took a 2nd place at Walden Wood and 1st place at Wyoming Park's Fall Clinic. Along with hosting a clinic and cheering at all basketball and football games, the girls presented a football breakfast and the annual mothers' night.

In the Regionals Jeff placed second while John placed fourth which qualified both wrestlers to advance to the state competition. Jeff Klomparens, the only senior on the team, concluded his season with a fine record of 35-5. In Jeff's total career of varsity wrestling, he earned over 100 wins.

The Varsity Basketball Team, consisting of 4 seniors, 7 juniors, and 2 sophomores, finished its rebuilding year with a 6-14 record. The young Hawks pulled a few surprises by upsetting Jenison and Kentwood during the regular season, and pulled one of the biggest upsets of the District Tournaments by defeating West Catholic in the opening game. Sophomore Doug Chappel made OK Red All Conference and led the Hawks in scoring and rebounding, while junior Tim Sagers led the team in assists and steals.

The J.V. Baseball Team was led in hitting by Mike Dryer with a lusty .418 average and he was also voted most valuable player by his teammates. Brian Christensen and Mark Kneibel were our leading pitchers and received able support from Doug Chappel, Ray Espinoza, and Mike Dryer, who served as spot starting pitchers. The team made steady improvement during the year and had a great attitude. Our over-all record was 5 wins and 11 losses and every game was close enough so that a key hit could have won it for us.

Saying good-bye to:  
 Old friends,  
 And old ways,  
 Familiarness.  
 Welcoming the new, and  
 The unknown.  
 Starting over again.  
 Putting our years of school  
 To use  
 And  
 Learning new things  
 That . . .  
 We couldn't be taught  
 In school.  
 By coming to the end,  
 We find:  
 A new beginning

Sticking with friends,  
We wouldn't be

Not just arrived,  
And  
Not ready to leave;  
Yet.

Growing and wondering,  
 What will I become?  
 What will I do?  
 Three more years,  
 That's a long time,  
 But -  
 It isn't.  
 To pick,  
 To choose,  
 Stumble  
 And falter.  
 To get up again.  
 Keep trying  
 And  
 Asking:  
 What? Why?  
 Wondering,  
 Then asking  
 And growing.

## Hawk Talk

As a subsidiary of Lair this year, a few students worked to inform the student body through a monthly newspaper. Because of its success this organization will be expanded into a class next year. Editors were Randy Brown and Lisa Irwin with Kim Van Essen, Nancy Rose, and Debbie Westbrook as typists.

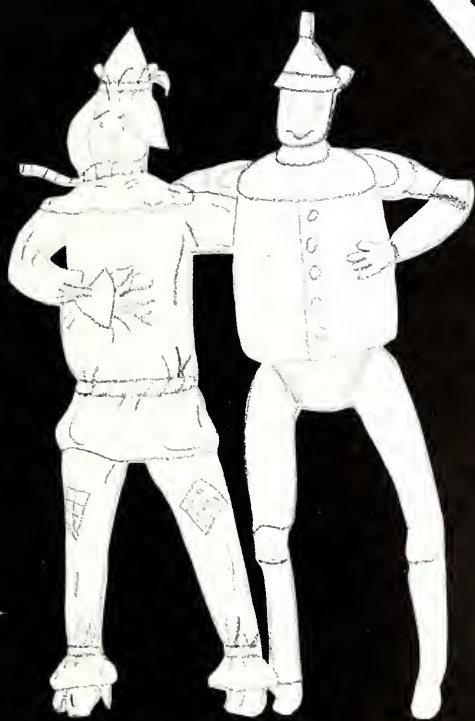

## WRHS

George Helms, believing that lunch should be a rhythmic experience, created WRHS which provided music to munch by. This radio station, located in the back of the choir room, entertained the students with Boston and Nazareth.

# Lair

After many hours of hard work we can only reflect on things done to put this book together. Scrounging for pictures, digging for copy, constantly yelling at the rebellious staff, and learning to compromise on many ideas are just a part of these memories. We've put much time and effort into this year's Lair that we hope will mean as much to you as it does to us.
